Press release 1
4th December, 2009

„UCB Pharma Private Business Meeting Room” at BioForum 2010

The biggest Belgian biopharmaceutical concern **UCB Pharma** will get The Private Business Meeting Room organized on BioForum 2010. This special and a prestigious place will be prepared to hold previously appointed direct meetings with invited concern guests.

It will be also prepared for meetings with BioForum 2010 participants who have an opportunity to present an offer and a possibility of cooperation in scope of realized biotechnological Research and Development projects mainly from immunology, oncology and rheumatology field. Undoubtedly BioForum 2010 is also an unique and the only one occasion for companies and research teams of Poland biosector and Central Europe Region for direct meetings and conversations with UCB Pharma representatives about cooperation.

Nowadays, **BioForum** is the biggest biotechnology and biobusiness event in Central European Region. It gathers representatives of CE Region biosector (Hungary, Czech Republic, Poland, Baltics). First of all, BioForum creates a chance for Region of playing an important part as a source of an innovative biotechnologies. On the other hand this event is an opportunity for a biobusiness world leaders i.e. UCB Pharma biopharmaceutical concern to search for a new products and cooperation in CE Region. BioForum – as the most important event of Biosector Region - is a perfect source of ideas, products and innovative drugs including biotechnological drugs as well. Moreover, BioForum is a great chance for creating a direct biobusiness contacts with leaders of Poland and Central Europe biotechnology companies and also with Research and Development projects leaders of applicative potential mainly in biotechnology and pharmacy sector.
